Errata

In the paper by Nelson and Strobel, “Evolution of Cytochrome P-450 Proteins” (Molecular Biology and Evolution 4:572–593, 1987), the following corrections should be made: In table 1 (p. 574) the references for the “P-450b (rat liver) mRNAb” and “Gene” sequences should be Gotoh et al. 1985 and Suwa et al. 1983, respectively (they were inadvertently reversed). In table 4 (p. 585), in the first column, under “75, Human-rabbit-rodent” the third diverging lineage should have the “LM4, and 4-P3” following the last right parenthesis struck.
